MR-03

Mirrors are an integral part of the gowning process. The mirrors are safe with adhesive backing to prevent shattering and are mounted on a stainless steel plate.

A stainless steel frame enables easy mounting and guards the mirror from gownroom traffic.

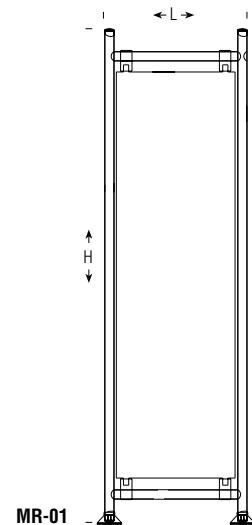

There are 3 options :

MR-01 : Free Standing, connected to the wall and floor

MR-02 : Mounted in side panel of Gown Racks

MR-03 : Mounted in side panel of Bootie Racks
